Take time to enjoy

As we wrap Ohio Valley Bank's 150th year in business and look ahead to the decades beyond, we feel grateful for the communities we faithfully serve. I applaud the 10th anniversary of Gallipolis in Lights, an idea that sparked the imagination of so many and has grown into an amazing destination and holiday tradition. Look at what we achieved together as a community.

And there is no limit to what we can do. Take time this season to explore your community. Give back by supporting local businesses and donating to local charities. Visit a store you've never stepped into. Learn about a historical site near home. Volunteer with a local charity. Put your community first and together we can together build a better hometown.

From the entire Ohio Valley Bank family,
we wish you Merry Christmas
and a prosperous 2023.

Always,

Tom Wiseman
